

Maternity Services Education Program

EMERGENCY BIRTHING PROGRAM

Centre for Teamwork Excellence in Maternity Emergencies (CTEME)

Designed with a strong focus on preparing non maternity trained or practising clinicians to manage unplanned birth and care of the woman and newborn; and identify the need for referral & transfer of care to a higher capability level service

This workshop is interactive with the use of simulation & clinical skills stations & can be delivered online & face-to-face at your site

Topics covered include:

- *Referral & Transfers*
- *Normal Vaginal Birth & Third Stage Management*
- *Shoulder Dystocia*
- *Breech Birth*
- *Neonatal Resuscitation*
- *Postpartum Haemorrhage*

**Suggested participants include registered/enrolled nurses, GP's, midwives, paramedics & other clinicians as appropriate to your site*
