

# Maternity Services Education Program

## MATERNITY UPDATE PROGRAM

### *Education for Rural Clinicians*

The Maternity Update is an online program facilitated by midwifery educators from MSEP in conjunction with expert speakers from The Royal Women's Hospital. This program provides updates on the latest information, research, & guidelines influencing clinical care across the maternity continuum.

#### The program consists of:

- **Part 1:** 2-hr didactic presentation
- **Part 2:** 1-hr clinical skills station (if applicable) delivered by the site clinical educator
- **Part 3:** Competency assessment as per organisation (if applicable)

#### Examples of available online learning modules:

- Antenatal Care & Screening
- Abdominal Palpation
- Hypertensive Disorders of Pregnancy
- Birth Centre Skills (E.g. ARM, FSE, episiotomy)
- Maternity Emergency Management (E.g. PPH, shoulder dystocia)
- Escalation of Care
- Postnatal Care & Complications
- Introduction to Newborn Examination
- Bladder Care
- **More topics available...**
