

WATERBIRTH EDUCATION PROGRAM

MSEP | Maternity Services Education Program

Designed to empower clinicians with the knowledge and tools to facilitate water immersion for labour/birth for women and families in the community.

Recommended for midwives, GPOs, Obstetricians and other clinicians as appropriate to your service.

This simulation-based workshop provides the opportunity to practice normal vaginal birth in water and emergency scenarios.

PROGRAM INCLUSIONS

Roles and responsibilities of the primary midwife

Water immersion for labour and birth

Risks and benefits

Third stage management

Emergency management
