

Shared Maternity Care Affiliate CPD list

Shared Maternity Care Affiliates are required to undertake five hours of pregnancy related education during the 2020-2022 triennium. There have been many events both face to face and online and you can download a list of these below. The list includes links to online courses that continue to be available and will be allocated RACGP points on completion. Some workshop events have also been recorded and are available for you to watch. On completion these can be self-recorded via the RACGP Learning portal.

Date	Title	Organisation	Location	Total RACGP Q&CPD points	Pregnancy related points approved by SMCC	Pregnancy related hours approved	Link
Currently available online
