

October online events

For Shared Maternity Care Affiliates, GPs, midwives and other health professionals

You're invited to register for:

- Shared Maternity Care workshop 1: Third trimester issues and infectious diseases in pregnancy
- Shared Maternity Care workshop 2: Endocrine and haematological conditions in pregnancy
- Webinar: Perinatal mental health and psychotropic medicines in pregnancy

Shared Maternity Care Collaborative Annual Workshops

Over two evening webinars, the annual Shared Maternity Care Collaborative workshops cover important antenatal topics.

Join leading obstetrics and gynaecology experts from the Royal Women's Hospital, Mercy Health, Northern Health and Western Health.

Who should attend? These free webinars are tailored for Shared Maternity Care Affiliates (GPs, obstetricians and midwives), but other health professionals involved in antenatal care are welcome to join.

Please register for both workshops to ensure you receive the Zoom invites.
